Dear friends,

We are pleased to share an update on the tailoring school in Tamil Nadu. The seventh cohort of women completed their training and graduated in October, each receiving a certificate of achievement and a sewing machine with accessories.

Unfortunately, one student became very ill and missed the graduation ceremony. Doctors found a small brain tumour, and she needed emergency surgery. Tamilselvi is now recovering well. She was able to come back and pick up her sewing machine and continue to grow in the skills she has learned. Please keep her in your prayers for a full recovery.

The eighth cohort of women has started their training at the school. Each day begins with prayer, songs, and Bible readings, followed by tailoring lessons. The women are learning skills that will help them earn a steady income for their families. This all plays an important part to break the cycle of poverty, the women also have the opportunity to learn about the love of Jesus by attending this course.

The women convey their heartfelt thanks for your faithful support in helping to provide this opportunity. As we have shared before they are very moved when they hear brothers and sisters on the other side of the world are supporting them, all in the name of Jesus Christ. If you haven't yet supported this wonderful work and would like to make a one-off or regular donation, please visit our website or contact us using the address below.

God bless you,

Lisa and the Life Association team
